# HONOR LOVED ONES WITH A TRIBUTE FUND

A Tribute Fund enables family and friends to make donations via a webpage to a charitable fund in honor of or in memory of someone special. Tribute Funds celebrate milestones like a birthday, wedding, anniversary, and bar or bat mitzvah; recognize a leadership accomplishment or retirement; and remember loved ones.

Below is an example of a Tribute Fund created by the children of the late Barbara Safran to commemorate her life.

## HONORING THE LIFE OF BARBARA SAFRAN, OF BLESSED MEMORY

The Karfunkel Safran Family Tribute Fund at the Jewish Community Foundation of Los Angeles was established to celebrate and honor the life of Barbara Safran – loving mother of three, grandmother to eight, sister, and friend to many. Contributions made to the fund will help establish a lasting legacy to support the charities and causes Barbara believed in.

Barbara was raised to appreciate, respect, and love her Jewish heritage. She fostered this same love and appreciation in her children by sharing her infectious joy in the many traditions and practices she was raised with—including her incredible recipe for Chanukah latkes. She embraced Judaism as one would an old friend: finding comfort and sharing happiness with the various temple communities she belonged to and presiding over countless family festivities. Her love of Judaism led her to complete her bat mitzvah at the age of 50.

Barbara was diagnosed with terminal cancer in March 2015. Even while battling this terrible disease, she continued to find time for friends, console her family, and consider the many organizations she wanted to help long after her time with us had passed.

The decision to establish this fund with the Jewish Community Foundation was an easy one for her children knowing their mother's lifelong goal of helping others. We invite you to make a gift to the Karfunkel Safran Family Tribute Fund to help continue Barbara's legacy of compassion and love.

Thank you so much for ensuring that Barbara's legacy will live on forever.

With love,  
Lisa, Misha, and Adam
